

A photograph of four people sitting at a table in a cafe. From left to right: a man with short dark hair, a woman with long brown hair, a woman with long dark hair wearing a coral top and holding a drink, and a woman with long dark hair. They are all smiling and engaged in conversation. The background shows a brick wall and warm cafe lighting.

overview

Welcome to **FemTech Connect Asia**, the pioneering conference, where women's health and innovation converge in Asia. Following the inaugural event in June 2024, FemTech Association Asia aims to host the second year of this roundtable event in 2025.

Over the course of two days, thought leaders, entrepreneurs, multinational corporate executives and investors from across Asia will gather with a focus on the femtech & women's health industry.

Join us to engage in insightful discussions, immersive workshops and networking sessions to:

- **Create** new paths for innovation in Asia's FemTech industry;
- **Collaborate** to expand the influence of the regional ecosystem;
- **Champion** a future where technology bridges the gender gap; and
- **Connect** with visionaries at the forefront of women's health and technology.

We invite you join us and contribute towards shaping the future of femtech in Asia.
